FALLWORKSHOPS

No Fear Painting / Plein Air

Length: 10h.

In this course we will be studying and applying many of the fundamental techniques of plein air painting. Together, we will investigate light and its effect on our visual field and how to translate that onto a canvas. We will not employ formulas; there is no "correct" way to paint and no such thing as a "mistake." It is my goal to equip you with the tools necessary for a lifetime of exploration with Plein Air painting. We will meet on site, location will be provided.

10/31/26-11/1/26

10:00 AM - 3:30 PM

\$350

Abstract Painting with Melanie Delgado

Length: 6h.

Join abstract painter Melanie Delgado for an all day exploration in mark making, shape curiosity & abstracting the world around us. Delgado will guide participants through a variety of warm ups using a mix of drawing and painting exercises. This workshop is for all levels. Beginners along with advanced painters will get a chance to try new materials and get a feel for the freedom of making an abstract composition.

Melanie works and lives in Glenford, New York. She has been a teaching artist for nearly 20 years. She believes her purpose is to be as open as possible both as a painter and an instructor. It can take time to develop a pleasing composition. Let's try it all and see what feels right for you!

11/15/26 9:00 AM - 3:00 PM \$150

Painting with Fiber with Loren Anderson

Length: 6h.

In this class students will learn the basics of wet felting and dry felting. The first week we will be creating a wet - felted painting and on week two we will continue to work on the painting using dry felting techniques. Students will have the option of adding embroidery and beads. Join me and see what this fiber crazy is all about.

10/9/26-10/16/26

9:30 AM - 12:30 PM

\$150

NEW CLASS

Pottery for Adults / Intermediate to Advanced

Length: 2h. 30m.

This class is for intermediate to advanced students who are comfortable with the basics of throwing, trimming, and glazing, and are ready for more complex techniques and forms. We will cover lessons about forms (e.g., lids, spouts, handles, sets, multi-piece forms, etc.) as well as more advanced glazing techniques.

Students must be able to center and throw at least 2 lbs of clay confidently. Please contact KAC if you are unsure of your level.

Please bring an apron and a small towel to class with you each week.

POTTERY ANNEX

There is something for everyone at the KAC pottery annex! KAC pottery annex houses ten pottery wheels, hand-building and glazing studios, and a studio for kid's clay classes. Try your hand at something new, improve your skills or discover an exciting new outlet for your creativity.

KAC offers pottery classes for all ages and levels.

Clay for Threes and Fours

grades: Pre-Kages: 3-4 yrs. Length: 1h.

Participating in clay activities provides children with a multitude of benefits that positively contribute to their overall development. The tactile experience of working with clay has a calming effect, captivating their attention and nurturing their imagination. Moreover, engaging with clay helps to refine fine motor skills, stimulate sensory development, and cultivate a healthy sense of self-esteem. In this class, young students will have the opportunity to explore a wide range of forms, while learning essential hand-building techniques to bring their imaginative visions to life.

Clay for Pre-K and K

ages: 4-6 yrs.

Length: 1h.

Engaging children with clay offers numerous benefits that contribute to their overall development. The tactile nature of clay has a soothing effect, capturing their attention and allowing their imagination to soar. Furthermore, working with clay enhances fine motor skills, stimulates sensory development, and fosters a sense of self-esteem. In this class, students will explore a diverse range of forms, while learning fundamental hand-building techniques to bring their unique visions to life. Join us in this creative journey, where children can unleash their creativity and craft their very own masterpieces!

Tues 13 wks 3:30 PM - 4:30 PM \$455 Bates [REGISTER](#)

Wed 12 wks 4:30 PM - 5:30 PM \$420 TBA [REGISTER](#)

Drawing & Painting for Pre-K & K

grades: Pre-K-Kages: 4-5 yrs. Length: 1h.

In this class, children will have the freedom to explore art concepts without rigid adherence to traditional rules. They will have the opportunity to work with various artistic mediums, including traditional painting materials and collage. Through experimentation with sensory materials such as clay and paint, the class aims to provide a fun and immersive experience, encouraging children to embrace creativity and embrace a little messiness along the way.

Mon 11 wks 3:30 PM - 4:30 PM \$385 Hughes [REGISTER](#)

Totally Abstract in Acrylics

Length: 3h.

Embark on a transformative artistic journey with Colombian artist Jaime Munoz and delve into the realm of abstract painting. Jaime will guide you through his unique process, beginning with the creation of a series of marks using your non-dominant hand. Explore the art of layering and selectively removing paint, which adds mood, depth, and form to your artwork. Through this course, Jaime emphasizes the importance of approaching your canvas with a spirit of play and discovery, allowing your personality to shine through your creations. To participate, students are required to bring their own materials, and a comprehensive material list will be provided to ensure you have everything you need. Prepare to unlock your creativity and unleash the power of abstract expression on canvas under Jaime's expert guidance.

Tues 13 wks 1:00 PM - 4:00 PM \$741 Munoz [REGISTER](#)

Encaustic Painting

Length: 2h.

Discover the captivating art of encaustic painting, a unique technique using a blend of melted beeswax, pure pigment, and Damar resin. In this class, you will explore the mesmerizing process of layering melted wax, creating depth and luminosity in your artwork. Gain essential skills in melting, mixing, and applying wax to achieve a variety of captivating surface effects. Additionally, you will learn how to incorporate photographs and other collage elements to create texture and visual interest. Please note that there is a material fee for this class.

Thurs 13 wks 6:30 PM - 8:30 PM \$676 TBA [REGISTER](#)

Planting the Creative Seed

Length: 3h.

This class is for those who want to explore or renew their creativity. Whether you are a seasoned artist or a first timer, this class is a fun way to tap into the creative flow and see what grows. It is a dance between letting your intuition guide you and primitive play. It is amazing to see how these images unfold. We will begin laying the ground using watery mediums, inks, and acrylics on watercolor paper and then layering with oil pastels, collage, or pencil.

We will plant the seeds with color and cultivate them with texture to see what blooms. A material list of what is required will be provided.
