ART & IMAGINATION

AGES 3 1/2 - 5 YRS

Mornings 9:45 AM - 12:15 PM
WEEKLY CAMP SESSIONS:
Fee: Half-Day \$410

JUNE 26 - JUNE 30

SILLY SCIENTISTS

Goopy sculptures, bubbles galore, rainbow slime and more! In this camp our little scientists will make their own lab coats and get to work creating a plethora of goopy art projects, while they learn a bit of science!

JULY 5 - JULY 7

MOTLEY MUTTS

Join the KAC staff's obsession with dogs! Campers will learn about different breeds of dogs and then "combine" them to create their own mutts out of a variety of materials. We will also make our own dog collars, leashes, pet beds and more!

JULY 10 - JULY 14

OCEAN EXPLORERS

Our littlest campers will have a blast as they learn about our oceans and their inhabitants. We will work with a variety of collage and art materials to make a host of sea creatures. We will also work collaboratively on an large ocean mural.

JULY 17 - JULY 21

SNUGGLEBUNNIES

The perfect camp for any child that loves stuffed animals or dolls! We will learn to sew (in an age appropriate manner) while making soft, cuddly beanbag friends, furry animals, rag dolls and other snuggly creatures.

JULY 24 - JULY 28

MEGASAURUS MUNCHKINS

We will create creatures from mythology and invent our own. Our not too scary monsters will be made from a variety of sculpture materials and embellished with paint, glitter, feathers and more!

JULY 31 - AUG 4

PEE WEE PUPPETEERS

Sock puppets, finger puppets, marionettes and more! Our little campers make their own puppets from a variety of art materials. We will also work collaboratively creating our own puppet theatre.

AUG 7 - AUG 11

MY LITTLE STORE

In this camp we will create a store in our children's studio. We will make pretend food, checkout areas and cash registers out of art materials. We will then "go shopping" in our own little store.

AUG 14 - AUG 18

CONSTELLATION CUTIES

Take a trip to Earth and beyond! In this camp we will create our own solar systems out of a variety of materials while learning about Earth and the surrounding planets. We will also work collaboratively to create our own spaceship out of cardboard and paint.

AUG 21 - AUG 25

HOMES, HABITATS & HIVES

In this camp, students will learn about the many types of homes that bugs and animals inhabit. We will make our own caves, nests, hives, and more out of natural and arts and craft materials.

AUG 28 - SEPT 1

DINKY DESIGNERS

In this innovative camp we will delve into the joys of home design - on a very mini scale! Using large cardboard boxes, paint, paper, fabric and more we will make our very own mini houses...complete with mini people to live in them! Students will learn about conservation and recycling as we creatively re-use objects that might otherwise be discarded.

KIDS ART CAMP

GRADES 1-5

WEEKLY CAMP SESSIONS:

Fees: Half-Day \$410; Full-Day \$820

EXTENDED DAY OPTION:

8:30-9:30am \$15/day

4:30-5:30pm \$20/day

3D PRINTING FOR KIDS grades: 2-5

In this STEAM camp, students will use the software Blender, to design and render their own 3D prototypes by printing them on our MakerBot printers. There is a \$25 material fee for this camp which will be applied at checkout. This class is limited to six students.

CARTOONING & COMIC BOOKS

Students will learn to cartoon by developing their own storyboards and characters and making a comic book start to finish! Anatomy, facial expressions, and different cartooning techniques will be covered.

CLAY FOR KIDS

Campers will learn to hand build while making a variety of projects such as bowls, cups and vases. Please note that pottery pieces must be fired and therefore do not go home with students at the end of the camp week. You will be notified when your child's work is ready for pick up. Please send an old towel each day for clean-up. A material fee of \$5 per day will be applied at checkout.

DRAW, DRAW, DRAW!

Pencil, pen & ink, charcoal and pastel! In this camp we will experiment with different drawing mediums while learning the basics of drawing. Campers will learn to draw faces, animals, landscapes, botanicals and more! Each day will have a "free draw" session where kids can work collaboratively or independently on the subject of their choice. A material fee of \$5 per day will be applied at checkout.

FAIRIE GARDENS grades: 1-5

In this popular camp, imaginations go wild as we create our own fairie habitats! Campers will use a combination of natural objects such as sticks, rocks and bark combined with living moss and plants to make a living Fairie Garden, filled with everything a fairie could want. This camp has a \$25 material fee that will be applied at checkout.

FLASH ANIMATION

grades: 3-5

Students will learn the basics of Flash Animation as they bring their characters, designs, and drawings to life in their own animated film. This camp is limited to six students.

JEWELRY-MAKING

Learn the basics of beading, wire art and polymer clay bead-making while creating beautiful jewelry for yourself, family and friends. Earrings, bracelets, necklaces, hair-clips and more! One of our most popular camps. There is a \$25 material fee for this camp which will be applied at checkout.

MAKE A HORROR

MAKE A HORROR FILM grades: 3-5

Campers will work collaboratively to write and shoot our own (not too scary) "horror movie." Class will cover screenwriting, storyboarding, shooting, acting for the camera, and editing on iMovie®. Our film will then be posted on YouTube® to be shared with friends. This camp is limited to six students.

MAKE A MOVIE grades: 3-5

Campers design and shoot their own movie from a script they write themselves! Class will cover screenwriting, storyboarding, shooting, acting for the camera, and editing on iMovie. Our film will then be posted on YouTube to be shared with friends. This camp is limited to six students.

MOSAICS grades: 1-5

Campers will learn how to design and create mosaics from a variety of materials. In this camp, students will create several pieces, such as garden stepping stones, trivets, and mosaic wall hangings.

MULTI-ARTS

In this camp students will have a daily mix of many art mediums. We will cover basic art concepts such as color and value while exploring painting, drawing, pottery, sculpture and more. A material fee of \$5 per day will be applied at checkout.

KIDS ART CAMP

PAINTING ANIMALS

In this camp we will first learn how to draw the forms that make up most animals. Students will then choose one animal to paint on a large canvas. Students will have the choice of working in oils or acrylics. This camp has a \$25 material fee that will be applied at checkout.

PAINTING IN ACRYLICS AND OILS

Students will learn the basics of using both oils and acrylics, both the similarities and the differences. Students will choose their own subjects as they explore different techniques specific to each. Students will also learn color mixing and experiment with different painting mediums and surfaces.

PAPER MACHE Paper Mache' is back! In this fun but messy camp, students will love learning to work with their hands to create sculptures with paper mache. We will sculpt using household materials such as aluminum foil, newspapers, cardboard and lots of masking tape. We will make our own paste to glue and seal our sculptures...If your hands aren't messy, you are not using enough paste!

POTTERY WHEEL FOR KIDS grades: 3-5

This small camp will focus solely on the wheel. Learn the basics of wheel throwing and how to create different forms. This class is limited to 10 students so register early and bring an old towel each day for clean-up. A Clay & Firing Fee of \$5 per day will be applied at checkout.

RAGS TO RUNWAY

Take that old pair of jeans, ripped jacket, stained t-shirt or silk scarf and create something fabulous and new. In the class we will design new outfits using a variety of skills. Students should come with a vision of what they want to make and a bag of old clean clothes. We will have a fashion show of our creations on the last day of a camp. A \$25 material fee will be applied at checkout.

SOAPS, SALTS AND LOTIONS

Come be part chemist, part marketing agent and create your own line of products. Campers will make different kinds of bath salts, soaps and scents incorporating natural oils, flowers and herbs. We will then create logos and packaging for our product lines. There is a \$25 material fee for this camp which will be applied at checkout.

SQUISHIES AND SLIME

Part science, part art! In this camp we will design and create our own line of Squishies characters as well as a variety of sticky and goopy slime. There is a 25 material fee that will be applied at checkout.

TEEN INTENSIVES GRADES 6-12

WEEKLY CAMP SESSIONS:

Fees: Half-Day \$410; Full-Day \$820

EXTENDED DAY OPTION:

8:30-9:30am \$15/day

4:30-5:30pm \$20/day

3D PRINTING FOR TEENS

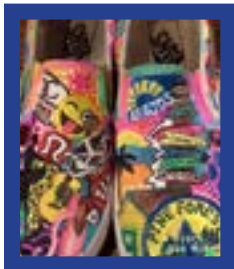

Experience the future with this remarkable medium. Learn how to design, model and 3D print an object on the computer using various applications. There is a \$50 material fee for this camp. This camp is limited to seven students.

ANIMATION

Bring your ideas to life! Create your own characters, storylines and backgrounds and make your own cartoons using Wacom tablets and Flash Animation software. Students must bring a flash drive to transfer their work. This class is limited to six students.

CREATING WEB COMICS

Self-published web comics have become all the rage as writers and artists alike use Tumblr as their publishing platform for their work. In this camp, students will learn how to develop a character, create a model sheet, and publish several of their own panels online. This class is limited to six students.

CUSTOMIZE YOUR KICKS!

Hand decorated sneakers sell in excess of \$150 online but you can learn to customize sneakers, bags or garments for a fraction of the cost! In this class student's will create a design, transfer it to their own leather or cloth sneaker using markers and paints. Students are required to bring in their own sneakers and or tote bag.

DRAWING FROM LIFE

In this drawing intensive students will learn to draw from still-life and the clothed model. Students will work on large paper in charcoal, starting with gesture drawings and progressing to longer more finished pieces. Students will learn about perspective, foreshortening and composition helping them to develop a sense of shape and proportion. The work done in this class will be a valuable addition to a portfolio! There is a \$50 model fee for this camp which will be applied at checkout.

EXPRESSIVE FUSED GLASS

Express yourself in glass! In this camp you will learn the skills needed to make fabulous fused glass pendants, sun catchers and more. We will experiment in both smooth and textured surfaces. The students are taught to work safely with glass cutting tools. The students will also learn how to create mosaics, on both flat and 3 dimensional objects. For safety, please wear long pants with closed toed shoes. \$100.00 material fee. Limit 8 students.

GARAGE BAND

Learn to use GarageBand, a fully equipped music creation studio. With a full range of instruments and sound effects at their fingertips, students will create their own soundtrack. Learn, play, record, create, and share your hits worldwide! This on-site camp is limited to six students.

IMOVIE

Take control of your video destiny! Learn basic photo editing while creating your own video perfect for YouTube, blogging or social media. This on-site camp is limited to six students.

JEWELRY AND CLAY SILVER

A favorite at KAC! Explore the basics of beading and jewelry findings, creating earrings, bracelets, necklaces and more. One day of this camp will be devoted to Clay Silver, a medium shaped by hand and fired into 99.9% pure silver. Please allow 7-10 days for silver to be fired. Each camper will receive a tool kit to keep. There is a \$50 material fee for this class which will be applied at checkout.

LARGE-SCALE DRAWING

In this drawing intensive students will learn to draw from the clothed model. Students will work on large paper in charcoal, starting with gesture drawings and progressing to longer more finished pieces. Students will learn about perspective, foreshortening and composition helping them to develop a sense of shape and proportion. The work done in this class will be a valuable addition to a portfolio! There is a \$10 per day material fee for this camp which will be applied at checkout.

MANGA

Draw the stylized faces, wardrobe and body types typical of Manga, the distinctive style of Japanese cartooning used in Anime films. Perspective, background design, special effect techniques and body language as well as the history of Manga and Anime will also be covered.

MURAL PAINTING

In this camp students will design a mural and learn how to transfer their drawings into larger images using concepts such as scale, grids and blocking-in. At the end of this camp each student will have a large mural for their wall or ceiling

of their room and will have the technical knowledge to paint murals on their own. A Mural Painting Supply fee of \$75 will be applied at checkout.

TEEN INTENSIVES

OIL PAINTING

Students will learn the basics of using this beautiful medium. We will learn techniques used by the old masters as well as contemporary artists. Students will also learn color mixing and experiment with different oil painting styles such as, impasto, glazing, dry brushing, layering and more. We will also experiment with various brushes, surfaces and palette knives. Please check out our website for a list of supplies. Supplies may also be purchased at checkout. Students must have their own supplies for this camp.

OUTDOOR LANDSCAPE PAINTING

Experience the joy of painting outdoors at various locations, such as Ward Pound Ridge, Muscote Farm, and Caramoor!

Campers may paint in the medium of their choice, learning individually within the group setting. This class will start with one class in the studio, learning the basics of Plein Air painting before we venture out the following day. In the event of rain, class will be held at KAC. Campers must be dropped off and picked up at the day's painting site. This camp is limited to 10 students.

PAINTING ANIMALS, LARGE!

In this camp we will learn how to draw the forms that make up most animals. Students will then choose one animal to paint on a very large canvas. Students will have the choice of working in oils or acrylics.

PAINTING / WATERCOLORS & ACRYLICS

In this camp we will focus on the similarities and differences between these two painting mediums. Students will learn a variety of techniques each day and then have the opportunity to apply them to their paintings. This class will be a mix of painting from life and painting from photographs. Students must provide their own materials. Materials can be purchased at checkout.

POTTERY, HAND-BUILDING

Campers will learn to hand build while making a variety of projects such as bowls, cups, and vases. Students should check the website schedule to see when work is ready to be picked up. Please bring an old towel each day for clean-up. This camp has a \$25 firing fee which will be applied at checkout.

POTTERY WHEEL INTENSIVE

This small camp will focus solely on the wheel. Learn the basics of wheel throwing and how to create different forms. This class is limited to ten students so register early and bring an old towel each day for clean-up. This camp has a \$25 firing fee which will be applied at checkout.

PROJECT FASHION

Campers will design and create their own outfits using a combination of hand sewing and machine sewing techniques. We will have a fashion show to display our skills on the last day of class!

SCULPTURE

Using a variety of mediums, found objects, and/or clay, we will create works that incorporate artistic principles as well as humor, political viewpoints, and/or personal statements. Materials included, a \$25 material fee will be applied at checkout.
