TEEN INTENSIVES

ART & IMAGINATION

AGES 3¹/₂ - 5 YRS

Mornings 9:30 AM - 12:30 PM

JULY 14 - JULY 18

MONSTER MAYHEM

Boys and girls will be inspired to bring mythical creatures to life through their own creativity. Using clay and other art materials, we'll craft fierce and fun costumes, masks, and sculptures inspired by legends from around the world.

AUG 11 - AUG 15

WATER, SAND AND BUBBLES

Get ready for a messy, creative adventure! In this camp, we'll build sandcastles that stand the test of time, make bubble paintings, explore undersea watercolors, and so much more. It's a hands-on, tactile experience that kids will love! It's a hands-on, tactile experience that kids will love!

AUG 18 - AUG 22

SMALL FRY SAFARI

Embark on an exciting adventure through the plains of Africa in this fun-filled camp! We'll team up to create our own binoculars, safari vests, and animals, and even build a safari jeep together. It's a wild, hands-on experience that brings the safari to life!

AUG 25 - AUG 29

OCEAN EXPLORERS

Our youngest campers will have a blast exploring the wonders of the ocean and its amazing creatures! Using a variety of collage and art materials, we'll create a whole ocean of sea animals. We'll also work together on a large, collaborative ocean mural, bringing the underwater world to life!

JUNE 30 - JULY 3

MY MINI MERCANTILE

In this camp, we'll team up to create and decorate our very own mini market! Together, we'll design and make unique versions of grocery items, as well as craft our own "money." This camp combines drawing, painting, and crafting for a fun, hands-on experience.

Please Note: there is no camp Friday, July 4. Minimum age for this camp is 3.5 yrs.

JULY 7 - JULY 11

RAINFOREST RANGERS

Join us on an adventure through the vibrant world of the rainforest! In this camp, we'll discover the fascinating animals and plants that call the rainforest home, while using a variety of art materials to bring them to life. We'll also explore the vital role rainforests play in the health of our planet.

*Please Note:
The minimum age for
this class is 3.5 years.*

JULY 21 - JULY 25

NOCTURNAL NIBBLERS

Owls, opossums, raccoons, and more! The nighttime world is full of fascinating creatures and plants, and we'll explore it all. Using our imaginations and a variety of art materials, we'll create our own nocturnal animals and bring this magical world to life.

Please Note: Minimum age for this camp is 3.5 yrs.

JULY 28 - AUG 1

DR. DOOLITTLE'S DARLINS

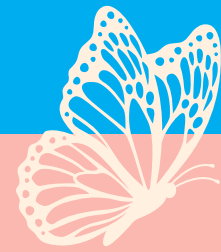

The vet is in! In this camp we will set up our very own animal hospital, using our dolls and animals from home as patients. We will make our own pet carriers, ID badges, Dr. coats, ear scopes, plaster casts and more. Each child will compile their own medical kit to continue their doctoring at home!

AUG 4 - AUG 8

WHEN I GROW UP

Kids love imagining their future selves! In this class, we'll explore different careers like farmers, doctors, veterinarians, teachers, and artists. We'll learn about the environments these professionals work in and create our own "props" using a variety of art materials to bring these careers to life.

Please Note: The minimum age for these camps is 3.5 years.

Afternoons 1:30 PM - 4:30 PM

JUNE 30 - JULY 3

DR. DOOLITTLE'S DARLINS

The vet is in! In this camp we will set up our very own animal hospital, using our dolls and animals from home as patients. We will make our own pet carriers, ID badges, Dr. coats, ear scopes, plaster casts and more. Each child will compile their own medical kit to continue their doctoring at home!

JULY 7 - JULY 11

WATER, SAND AND BUBBLES

Get ready for a messy, creative adventure! In this camp, we'll build sandcastles that stand the test of time, make bubble paintings, explore undersea watercolors, and so much more. It's a hands-on, tactile experience that kids will love!

JULY 14 - JULY 18

SMALL FRY SAFARI

Embark on an exciting adventure through the plains of Africa in this fun-filled camp! We'll team up to create our own binoculars, safari vests, and animals, and even build a safari jeep together. It's a wild, hands-on experience that brings the safari to life!

JULY 21 - JULY 25

WHEN I GROW UP

Kids love imagining their future selves! In this class, we'll explore different careers like farmers, doctors, veterinarians, teachers, and artists. We'll learn about the environments these professionals work in and create our own "props" using a variety of art materials to bring these careers to life.

JULY 28 - AUG 1

OCEAN EXPLORERS

Our youngest campers will have a blast exploring the wonders of the ocean and its amazing creatures! Using a variety of collage and art materials, we'll create a whole ocean of sea animals. We'll also work together on a large, collaborative ocean mural, bringing the underwater world to life!

AUG 4 - AUG 8

ROCK N'ROLL DINER

Order up! In this silly camp we will make our very own diner at KAC. Campers will create everything (even our diner's name) themselves. We will make menus, choosing our favorite foods to put on them. We will make models of our favorite foods and design our wait staff's outfits. We can then "play" pretend diner and invite fellow campers to visit!

AUG 11 - AUG 15

MURPHYS MUTT RESCUE

Murphy, a rescue dog and KAC's mascot, is the inspiration for this exciting new camp! In this camp we will make our very own animal rescue center, complete with animals, crates, name tags, leashes and more. We will then "adopt" out our pets (to each other), complete with adoption certificates

AUG 18 - AUG 22

NOCTURNAL NIBBLERS

Owls, opossums, raccoons, and more! The nighttime world is full of fascinating creatures and plants, and we'll explore it all. Using our imaginations and a variety of art materials, we'll create our own nocturnal animals and bring this magical world to life.

AUG 25 - AUG 29

RAINFOREST RANGERS

Join us on an adventure through the vibrant world of the rainforest! In this camp, we'll discover the fascinating animals and plants that call the rainforest home, while using a variety of art materials to bring them to life. We'll also explore the vital role rainforests play in the health of our planet.

KIDS ART CAMP

GRADES 1-5

Mornings 9:30 AM - 12:30 PM

JUNE 30 - JULY 3

POTTERY WHEEL FOR KIDS

Learning to throw on a pottery wheel requires discipline and focus. As a child's skills improve, so does their self-esteem! In this class students will create a variety of vessels as they learn the basics of clay and glazing. A Clay & Firing Fee of \$25 will be applied at checkout.

CARTOONING & COMIC BOOKS

Students will learn the art of cartooning by creating their own storyboards and characters, taking their comic book from start to finish! They'll explore anatomy, facial expressions, and various cartooning techniques along the way.

DRAW, DRAW, DRAW!

Pencil, pen & ink, charcoal and pastel! In this camp we will experiment with different drawing mediums while learning the basics of drawing. Campers will learn to draw faces, animals, landscapes, botanicals and more! Materials provided - there is a \$25 material fee for this camp which will be applied at checkout.

MULTI-ARTS

In this camp, students will dive into a variety of art mediums each day. They'll explore painting, drawing, pottery, sculpture, and more, while learning essential art concepts like color and value. All materials are provided, with a \$30 material fee applied at checkout.

JULY 7 - JULY 11

MOSAICS

During this camp, young participants will embark on a creative journey, acquiring the skills to design and craft beautiful mosaics utilizing an array of artistic materials. Students will begin by exploring the art of paper mosaics, honing their project-planning abilities, before progressing to the intricate world of tile, glass, shells, and other captivating elements, all applied to a diverse range of surfaces. Materials provided - there is a \$50 material fee for this camp which will be applied at checkout.

CLAY FOR KIDS

Campers will learn to hand build while making a variety of projects such as bowls, cups, and vases. Please note that pottery pieces must be fired and therefore do not go home with students at the end of the camp week. You will be notified when your child's work is ready for pickup. There is a \$25 clay & firing fee for this camp which will be applied at checkout.

ANIMATION FOR KIDS

In this camp, students will learn the fundamentals of animation as they bring their characters, designs, and drawings to life in their very own animated film. With a small class size of just six students, each participant will receive plenty of individual attention.

JULY 14 - JULY 18

POTTERY WHEEL FOR KIDS

Learning to throw on a pottery wheel requires discipline and focus. As a child's skills improve, so does their self-esteem! In this class students will create a variety of vessels as they learn the basics of clay and glazing. A Clay & Firing Fee of \$25 will be applied at checkout.

SQUISHIES AND SLIME

very own Squishies characters, as well as mix up a variety of sticky, goopy slimes. You'll explore the creativity and science behind these squishy and slimy creations while having a blast along the way. A material fee will be applied at checkout to cover all the supplies needed for this messy, hands-on experience.

PUPPETRY & PAPER MACHE

Join us for a week of creativity and performance. In this camp we will learn about different types of puppets and make our own using various materials such as fabric, yarn and paper mache. We will also have a puppet show the last day of class to show off our creations. Join us for a week of creativity and performance. In this camp we will learn about different types of puppets and make our own using various materials such as fabric, yarn and paper mache. A material fee of \$25 will be applied at checkout.

WEEKLY CAMP SESSIONS:

Fees: Half-Day \$240; Full-Day \$840
(week of July 4: Half-Day \$252 / Full-Day \$504)

EXTENDED DAY OPTION:

8:30-9:30am (morning) \$15/day
4:30-5:30pm (afternoon) \$15/day

Mornings 9:30 AM - 12:30 PM

JULY 21 - JULY 25

HALLOWEEN COSTUME DESIGN

Parents, take a break this year! In this camp, students will brainstorm a variety of Halloween costume ideas and then select one to bring to life. Using fabric, paper mache, and a variety of craft materials, they'll create full costumes, complete with masks and all the fun details!

3D PRINTING FOR KIDS

In this STEAM camp, students will use the software Blender, to design and render their own 3D prototypes by printing them on our MakerBot printers. There is a \$25 material fee for this camp which will be applied at checkout. This camp is limited to six students.

CLAY FOR KIDS

Campers will learn to hand build while making a variety of projects such as bowls, cups, and vases. Please note that pottery pieces must be fired and therefore do not go home with students at the end of the camp week. You will be notified when your child's work is ready for pickup. There is a \$25 clay & firing fee for this camp which will be applied at checkout.

JULY 28 - AUG 1

WIZARDRY WORLD

Inspired by the beloved Harry Potter books, this camp lets campers step into the magical world of wizards and creatures! Using a variety of sculpture, art, and craft materials, campers will create their very own spell books, wands, owls, magical creatures, and more. It's a hands-on, imaginative experience where every camper can bring their favorite elements from the wizarding world to life!

POTTERY WHEEL FOR KIDS

Learning to throw on a pottery wheel requires discipline and focus. As a child's skills improve, so does their self-esteem! In this class students will create a variety of vessels as they learn the basics of clay and glazing. A Clay & Firing Fee of \$25 will be applied at checkout.

WORLD CRAFTS

Embark on a global artistic journey as we explore the unique art forms of different cultures around the world. Campers will learn about traditional art from various nations and then create their own artwork inspired by these styles. Projects might include crafting Jizo statues from Japan, designing Chinese Lanterns, or making Australian Aboriginal Clapsticks—each piece reflecting the rich traditions of its culture. It's a fun and creative way to connect with art from around the world!

AUG 4 - AUG 8

LIVING ART

This camp is all about creating art that connects with nature in exciting ways. Some of our projects will even come to life, like terrariums, while others will involve using natural objects for printing, sculpting, and collage. It's a hands-on experience that blends creativity with the beauty of the natural world! A \$25 material fee will be applied at checkout.

MAKE A COMEDY!

Kids love to have fun and be a little silly, and this is the perfect spot for it! Campers will write their own script and bring it to life by shooting their very own movie. The class will cover everything from screenwriting and storyboarding to acting on camera and editing with iMovie. By the end, they'll have a polished video ready to share on YouTube, blogs, or social media!

CLAY FOR KIDS

Campers will learn to hand build while making a variety of projects such as bowls, cups, and vases. Please note that pottery pieces must be fired and therefore do not go home with students at the end of the camp week. You will be notified when your child's work is ready for pickup. There is a \$25 clay & firing fee for this camp which will be applied at checkout.

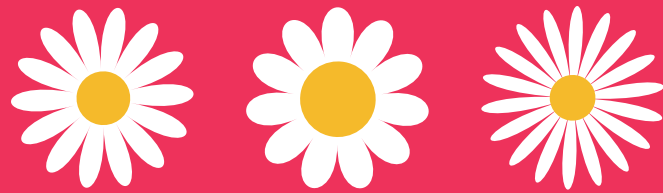

SOAPS, SALTS AND BALMS

Come be part chemist, part marketing agent and create your own line of products. Campers will make different kinds of bath salts, soaps and scents incorporating natural oils, flowers and herbs. We will then create logos and packaging for our product lines. Materials provided - there is a \$30 material fee for this camp which will be applied at checkout.

KIDS ART CAMP

GRADES 1-5

Mornings 9:30 AM - 12:30 PM

AUG 11 - AUG 15

POTTERY WHEEL FOR KIDS

Learning to throw on a pottery wheel requires discipline and focus. As a child's skills improve, so does their self-esteem! In this class students will create a variety of vessels as they learn the basics of clay and glazing. A Clay & Firing Fee of \$25 will be applied at checkout.

JEWELRY-MAKING

Learn the basics of beading, wire art and polymer clay bead-making while creating beautiful jewelry for yourself, family and friends. Earrings, bracelets, necklaces, hair-clips and more! One of our most popular camps. Materials provided - there is a \$30 material fee for this camp which will be applied at checkout.

PAINTING IN WATERCOLORS AND ACRYLICS / KIDS CAMP

Students will learn the basics of using both watercolors and acrylics, both the similarities and the differences. Students will choose their own subjects as they explore different techniques specific to each. Students will also learn color mixing and experiment with different painting mediums and surfaces. Materials provided - there is a \$30 material fee for this camp which will be applied at checkout.

AUG 18 - AUG 22

MAKE A HORROR FILM

Campers will work collaboratively to write and shoot our own (not too scary) "horror movie." Class will cover screenwriting, storyboarding, shooting, acting for the camera, and editing on iMovie®. We will have a screening the last day of camp. This camp is limited to six students.

DESIGN STUDIO

This camp is perfect for creative kids with big ideas! Each student will receive a partially assembled wooden house, which they'll customize to fit their own unique vision. Once the house is built, we'll choose paints, design wallpaper, create floor coverings, and craft mini furniture—making every house one-of-a-kind. It's a fun, hands-on project that lets each camper put their personal touch on every detail! A \$30 material Fee will be applied at checkout.

CLAY FOR KIDS

Campers will learn to hand build while making a variety of projects such as bowls, cups, and vases. Please note that pottery pieces must be fired and therefore do not go home with students at the end of the camp week. You will be notified when your child's work is ready for pickup. There is a \$25 clay & firing fee for this camp which will be applied at checkout.

FAIRYLAND

In this popular camp, imaginations go wild as we create our own fairie habitats! Campers will use a combination of collage materials such as fabric, paper, styrofoam and yarn, as well as natural materials, to create the base of their fairyland. We will then fill our fairyland with everything a fairy could want: houses, playground, gardens and more! Materials provided - there is a \$30 material fee for this camp which will be applied at checkout.

AUG 25 - AUG 29

PAPER & PULP

Paper and paper pulp aren't just for drawing—they're incredibly versatile art materials! In this camp, campers will learn how to make their own paper pulp and use it to craft stunning handmade paper and cards, adding dried leaves and flowers for a special touch. We'll also explore sculpture, using paper mache and pulp to create amazing 3D pieces!

POTTERY WHEEL FOR KIDS

Learning to throw on a pottery wheel requires discipline and focus. As a child's skills improve, so does their self-esteem! In this class students will create a variety of vessels as they learn the basics of clay and glazing. A Clay & Firing Fee of \$25 will be applied at checkout.

PAINTING ANIMALS

In this camp, students will begin by learning to draw the basic shapes that make up different animals. They'll then select one animal to paint on a large canvas, with the option to use either water soluble oils or acrylics. A \$30 material fee will be added at checkout.

MIXED MEDIA AND COLLAGE

This camp is all about exploring a variety of mediums while creating diverse works of art. Campers will mix photos from magazines and newspapers with found objects, using these materials to make paintings, books, sculptures, and more. It's a hands-on opportunity to experiment with different techniques and bring unique ideas to life!

WEEKLY CAMP SESSIONS:

Fees: Half-Day \$240; Full-Day \$840
(week of July 4: Half-Day \$252 / Full-Day \$504)

EXTENDED DAY OPTION:

8:30-9:30am (morning) \$15/day
4:30-5:30pm (afternoon) \$15/day

Afternoon 1:30 AM - 4:30 PM

JUNE 30 - JULY 3

BOARD GAME CODERS

In this STEAM camp, students will use Bloxels to create their own games, which they'll then code on tablets. It's a fun and engaging way to stimulate both creativity and critical thinking! With a small class size of just seven students, everyone will get plenty of hands-on attention.

CLAY FOR KIDS

Campers will learn to hand build while making a variety of projects such as bowls, cups, and vases. Please note that pottery pieces must be fired and therefore do not go home with students at the end of the camp week. You will be notified when your child's work is ready for pickup. TEEN INTENSIVES

GRADES 6-12

WEEKLY CAMP SESSIONS:
FEES: HALF-DAY \$420; FULL-DAY \$840
(WEEK OF JULY 4: HALF-DAY \$252 / FULL-DAY \$504)

EXTENDED DAY OPTION:
8:30-9:30am \$15/day
4:30-6:00pm \$15/day

Mornings 9:30 AM - 12:30 PM

JUNE 30 - JULY 3

CREATING WEB COMICS

Self-published web comics have become all the rage as writers and artists alike use Tumblr as their publishing platform for their work. In this camp, students will learn how to develop a character, create a model sheet, and publish several of their own panels online. This class is limited to six students.

POTTERY, HAND-BUILDING

Campers will learn to hand build while making a variety of projects such as bowls, cups, and vases. Students should check the website schedule to see when work is ready to be picked up. Please bring an old towel each day for clean-up. This camp has a \$25 firing fee which will be applied at checkout.

DRAWING FROM LIFE

In this drawing-focused course, students will learn to draw from both still life and the clothed model. Working with large sheets of paper and charcoal, they will begin with gesture drawings and progress to more detailed, polished pieces. Throughout the class, students will explore key concepts such as perspective, foreshortening, and composition, all of which will help refine their understanding of shape and proportion. The skills developed in this course will be a great addition to any portfolio! A \$50 model fee is required and will be added at checkout.

JULY 7 - JULY 11

POTTERY WHEEL INTENSIVE

Discover the art of wheel throwing in this hands-on course! We'll cover the essentials of creating beautiful forms on the pottery wheel, with opportunities to explore hand-building techniques as well. With a small class size of just 10 students, you'll receive plenty of personal guidance. Be sure to register early to secure your spot! A \$25 clay and firing fee will be added at checkout.

EXPRESSIVE FUSED GLASS

Express your creativity with glass! In this camp, you'll learn the techniques to craft beautiful fused glass pendants, sun catchers, and more. We'll experiment with both smooth and textured surfaces, and you'll be taught how to safely use glass cutting tools. For safety, please wear long pants and closed-toe shoes. A \$100 material fee applies. Class size is limited to 8 students.

PAINTING IN FIBER / TEEN CAMP

Fiber art is making a big splash in the creative world, and in this camp, we'll dive into this fascinating medium! Campers will design and create their own fiber rug, featuring elements like gardens, trails, moss, and water. You'll have the chance to work with yarn, wool roving, fabric strips, and more, while learning a variety of fiber techniques. Plus, you can add your own unique touch by incorporating embroidered, knitted, or crocheted elements into your masterpiece!

JULY 14 - JULY 18

IMOVIE

Take charge of your video journey! In this camp, you'll learn the essentials of photo and video editing while creating your own polished video, perfect for YouTube, blogging, or social media. With a small class size of just seven students, you'll get plenty of personalized instruction and hands-on experience.

Mornings 9:30 AM - 12:30 PM

JULY 14 - JULY 18 CONTINUED

OUTDOOR LANDSCAPE

PAINTING

Experience the joy of painting outdoors! Campers can choose their preferred painting medium and work at their own pace while benefiting from the group setting. The camp will kick off with a studio session where we'll cover the basics of Plein Air painting, then head outdoors the next day to paint in the open air. If it rains, we'll move the class indoors to KAC.

POTTERY, HAND-BUILDING

Campers will learn to hand build while making a variety of projects such as bowls, cups, and vases. Students should check the website schedule to see when work is ready to be picked up. Please bring an old towel each day for clean-up. This camp has a \$25 firing fee which will be applied at checkout.

PAINTING / WATERCOLORS & ACRYLICS

In this camp, we'll explore the similarities and differences between two popular painting mediums. Each day, students will learn a variety of techniques and then apply them to their own artwork. The class will blend painting from life with painting from photographs, giving campers a well-rounded experience. All materials are provided, and a \$50 material fee will be applied at checkout to cover supplies.

JULY 21 - JULY 25

PRINTMAKING TECHNIQUES

This camp offers a fantastic introduction to the ancient art of printmaking, featuring three distinct techniques. We'll begin with Monotype printing, creating unique, one-of-a-kind prints using ink and a printing plate. Next, we'll explore Gel Plate printing, where students will use stencils, masks, and layering to create vibrant prints on various papers and substrates. Finally, we'll dive into intaglio printmaking with drypoint etching, teaching students how to prepare their plates, create tonal effects through mark-making, and print using a printing press. It's a hands-on journey into the world of printmaking, where creativity and technique come together!

Please Note: This camp is limited to 6 students. A \$50 material fee will be applied at checkout.

POTTERY WHEEL INTENSIVE

Discover the art of wheel throwing in this hands-on course! We'll cover the essentials of creating beautiful forms on the pottery wheel, with opportunities to explore hand-building techniques as well. With a small class size of just 10 students, you'll receive plenty of personal guidance. Be sure to register early to secure your spot! A \$25 clay and firing fee will be added at checkout.

ENCAUSTICS: PAINTING IN WAX

Learn how to paint with a mixture of melted beeswax, pure pigment, and Damar resin. In encaustic painting, each layer is melted to the one below, giving the piece depth and luminosity. Students will learn how to melt, mix, and apply wax to create a variety of surface effects. Students will also learn how to use photographs and other collage effects for creating texture and interest. There will be a \$50 material fee for this camp which will be applied at checkout.

JULY 28 - AUG 1

MANGA

Learn to draw the signature stylized faces, unique wardrobes, and diverse body types typical of Manga, the iconic art style used in Anime films. You'll also explore perspective, background design, special effects techniques, and body language, all while diving into the rich history of Manga and Anime.

GARAGE BAND

Discover the power of GarageBand, a complete music creation studio! With a wide array of instruments and sound effects at your fingertips, students will compose their own unique soundtrack. Learn to play, record, create, and share your music with the world!

POTTERY, HAND-BUILDING

Campers will learn to hand build while making a variety of projects such as bowls, cups, and vases. Students should check the website schedule to see when work is ready to be picked up. Please bring an old towel each day for clean-up. This camp has a \$25 firing fee which will be applied at checkout.

Mornings 9:30 AM - 12:30 PM

AUG 4 - AUG 8

JEWELRY AND CLAY SILVER

A KAC favorite! In this camp, you'll dive into the fundamentals of beading and jewelry design, creating beautiful earrings, bracelets, necklaces, and more. One day will be dedicated to working with Clay Silver, a unique medium that's shaped by hand and fired into 99.9% pure silver. All materials are provided, with a \$60 material fee applied at checkout to cover the supplies.

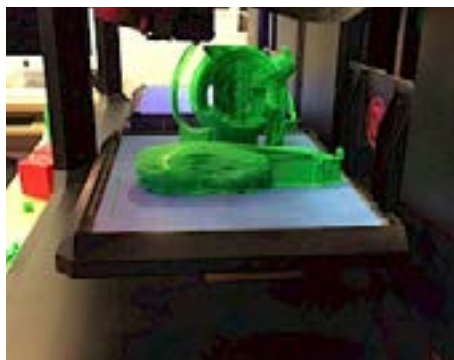

SCULPTURE

In this camp, students will explore sculpting using a variety of materials. Whether they choose to create from their imagination or from life, they'll have the freedom to sculpt animals, people, abstract forms, or anything else that inspires them. It's a great opportunity to bring their creative visions to life in 3D! A material fee of \$25 will be applied at checkout.

POTTERY WHEEL INTENSIVE

Discover the art of wheel throwing in this hands-on course! We'll cover the essentials of creating beautiful forms on the pottery wheel, with opportunities to explore hand-building techniques as well. With a small class size of just 10 students, you'll receive plenty of personal guidance. Be sure to register early to secure your spot! A \$25 clay and firing fee will be added at checkout.

AUG 11 - AUG 15

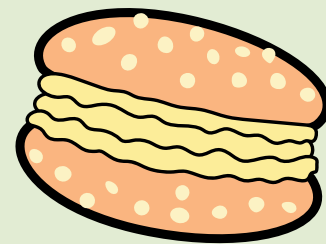

3D PRINTING FOR TEENS

Step into the future with this exciting camp, where you'll learn to design, model, and 3D print objects using cutting-edge software. Campers will create their own digital designs, which will then be brought to life through 3D printing. It's a hands-on experience that combines creativity with technology! A \$50 material fee will be applied for the printing supplies. With a small class size of just seven students, each participant will receive plenty of personalized attention.

OUTDOOR LANDSCAPE PAINTING

Experience the joy of painting outdoors! Campers can choose their preferred painting medium and work at their own pace while benefiting from the group setting. The camp will kick off with a studio session where we'll cover the basics of Plein Air painting, then head outdoors the next day to paint in the open air. If it rains, we'll move the class indoors to KAC.

PAINTING ANIMALS, LARGE!

In this exciting camp, students will start by learning the fundamental techniques of sketching, focusing on the basic shapes and structures that make up various animals. We'll explore different animal forms, from breaking down their bodies into simple shapes that will serve as the foundation for our drawings. Once the basics are mastered, each student will choose one animal to bring to life on a large canvas. Valuable painting techniques, including shading, blending, and creating texture, will be covered. Materials included, a \$40 material fee will be applied at checkout.

POTTERY, HAND-BUILDING

Campers will learn to hand build while making a variety of projects such as bowls, cups, and vases. Students should check the website schedule to see when work is ready to be picked up. Please bring an old towel each day for clean-up. This camp has a \$25 firing fee which will be applied at checkout.

Mornings 9:30 AM - 12:30 PM

AUG 18 - AUG 22

PRINTMAKING TECHNIQUES

This camp offers a fantastic introduction to the ancient art of printmaking, featuring three distinct techniques. We'll begin with Monotype printing, creating unique, one-of-a-kind prints using ink and a printing plate. Next, we'll explore Gel Plate printing, where students will use stencils, masks, and layering to create vibrant prints on various papers and substrates. It's a hands-on journey into the world of printmaking, where creativity and technique come together!

Please Note: This camp is limited to 6 students. A \$50 material fee will be applied at checkout.

MURAL PAINTING

In this camp students will design a mural and learn how to transfer their drawings into larger images using concepts such as scale, grids and blocking-in. At the end of this camp each student will have a large mural for their wall or ceiling of their room and will have the technical knowledge to paint murals on their own. Materials provided - a material fee of \$75 will be applied at checkout.

POTTERY WHEEL INTENSIVE

Discover the art of wheel throwing in this hands-on course! We'll cover the essentials of creating beautiful forms on the pottery wheel, with opportunities to explore hand-building techniques as well. With a small class size of just 10 students, you'll receive plenty of personal guidance. Be sure to register early to secure your spot! A \$25 clay and firing fee will be added at checkout.

AUG 25 - AUG 29

GARAGE BAND

Discover the power of GarageBand, a complete music creation studio! With a wide array of instruments and sound effects at your fingertips, students will compose their own unique soundtrack. Learn to play, record, create, and share your music with the world!

OIL PAINTING

Students will explore the fundamentals of oil painting, learning techniques used by both the old masters and contemporary artists. They'll dive into color mixing and experiment with different styles such as impasto, glazing, dry brushing, and layering. Students will also experiment with various brushes, surfaces, and palette knives. Materials are provided, with a \$50 material fee applied at checkout.

POTTERY, HAND-BUILDING

Campers will learn to hand build while making a variety of projects such as bowls, cups, and vases. Students should check the website schedule to see when work is ready to be picked up. Please bring an old towel each day for clean-up. This camp has a \$25 firing fee which will be applied at checkout.

JULY 28- AUG 1

FANTASY ILLUSTRATION

In this camp, students will create their own fantasy-themed world through a series of illustrations. Campers will learn how to visually tell a story, using color and style to set the atmosphere and mood. Along the way, we'll explore various illustration tools and mediums, while covering key concepts like gesture, composition, anatomy, and value. Whether it's mythical creatures or magical landscapes, campers will develop their artistic skills while bringing their fantastical visions to life.

POTTERY WHEEL INTENSIVE

Discover the art of wheel throwing in this hands-on course! We'll cover the essentials of creating beautiful forms on the pottery wheel, with opportunities to explore hand-building techniques as well. With a small class size of just 10 students, you'll receive plenty of personal guidance. Be sure to register early to secure your spot! A \$25 clay and firing fee will be added at checkout.

ENCAUSTICS: PAINTING IN WAX

Learn how to paint with a mixture of melted beeswax, pure pigment, and Damar resin. In encaustic painting, each layer is melted to the one below, giving the piece depth and luminosity. Students will learn how to melt, mix, and apply wax to create a variety of surface effects. Students will also learn how to use photographs and other collage effects for creating texture and interest. There will be a \$50 material fee for this camp which will be applied at checkout.

AUG 4- AUG 8

CREATING WEB COMICS

Self-published web comics have become all the rage as writers and artists alike use Tumblr as their publishing platform for their work. In this camp, students will learn how to develop a character, create a model sheet, and publish several of their own panels online. This class is limited to six students.

POTTERY, HAND-BUILDING

Campers will learn to hand build while making a variety of projects such as bowls, cups, and vases. Students should check the website schedule to see when work is ready to be picked up. Please bring an old towel each day for clean-up. This camp has a \$25 firing fee which will be applied at checkout.

SILKSCREEN PRINTING

Explore the art of silk-screen printing! Students will design their own creations and learn how to transfer their ideas onto a screen. We'll be printing on different surfaces, from paper to t-shirts and canvas bags. Material fee: \$50, payable upon registration.

Afternoon 1:30 AM - 4:30 PM

AUG 11- AUG 15
